No, but we may try a bridging strategy. That is, we don't have esc. data on pediatrics yet, but what if we talk about Celexa and relate it to Esc. ? I'm out on a limb here....Feel free to grab a shot gun and SHOOT me down!

I still want to see something that introduces pediatric treatment. It's a sexy topic and we have great data...

ACP-ASIM 2002 Budget.doc)

Dear Christina and Jeff:

I just wanted to send you a reminder that the deadline for the ACP-ASIM application is October 10. Attached please find the proposal and budget for this symposium. We spoke about this meeting when we met last month. Please let me know how we should proceed.
Thank you.

Regards,

Julie Sandler
